

## Invitation to the 10<sup>th</sup> Future Ocean Postdoc Event

Networking and professional exchange of postdocs

The Future Ocean Network organizes a Postdoc Event every first Friday of the month, from 11:15-12:00h.

The aim of the event series is to enable networking and professional exchange among interested postdocs of all faculties and partner institutions. In these events early career academics in leading positions will present their professional development, working methods and fields of research.

### 4 March 2022: 11:15 to ca. 12:00 h, virtual event

**Olivia Roth** is a freshly appointed full professor at Kiel University since 2021, after having been a tenured group leader at GEOMAR for several years. If you want to know, why Olivia Roth took the step to University and how she managed to acquire about 4,800,000€ third-party funding, besides many other interesting facts in her career, you should join the discussion!
